Service Terms

1 About this document and our agreement with you

1.1 This document (which is referred to throughout as the “terms”) is important and you should read it carefully along with the latest versions of the other following important documents:

- the *application form* which is applicable to the Octopus Ventures EIS Service (“*the EIS service*”); and
- the *brochure* that accompanies your *application form* – which, amongst other important items, includes details about applicable fees and charges, the investment objectives and restrictions that will apply to your *portfolio* and a number of important risk warnings.

The brochure, application form and a soft copy of this document are available on our website:

octopusinvestments.com/our-products/enterprise-investment-scheme/octopus-ventures-eis-service/

1.2 These *terms* together with the above documents constitute our agreement with you (which we refer to as our “*agreement*”). However, for the avoidance of doubt, the provisions contained in these *terms* will take precedence if, for any reason, there is any inconsistency or conflict between those provisions and the other documents referred to above.

1.3 Our agreement governs the provision of the EIS service. It is a legally binding contract under which we both have rights and obligations that we owe to each other. Our agreement supersedes any previous terms and conditions and/or related amendments which may have previously governed the basis on which we provided the EIS service and, depending on the circumstances, will either be effective from a date specified by us or the commencement date as provided in clause **10.1**.

1.4 You should note that there are other materials which explain the basis on which we provide our services. However, those materials do not form part of our *agreement*. These materials are available on our website **octopusinvestments.com** and include:

- the *best execution policy*;
- the *conflicts of interest policy*; and
- the *gifts and benefits policy*.

1.5 We know that there is a lot of information here, but it is important that you read and understand the agreement and the risk warnings and policies referred to above before you complete your application form.

If you have any questions, we recommend that you consult a financial *adviser* who is appropriately qualified and authorised to give investment advice. We can't provide you with any financial advice, but if you have any questions about the application process or the technicalities of the products, please call us on **0800 316 2295** and we'll be happy to help you.

1.6 You will see that these terms are divided into two separate sections:

- this **First Section** is headed “*Service Terms*” This section contains the terms and conditions that apply to the services we provide to you under the agreement; and
- the **Second Section** is headed “*Section 2 – Glossary*”. This section contains a number of words that have a specific legal meaning when used in these terms.

2 Meaning of certain words used in these terms

2.1 There are a number of words and phrases that have a specific meaning when used in these terms. So, throughout these terms:

- “we”, “us”, “our”, and “Octopus” refer to Octopus Investments Limited;
- “you” or “your” refers to the person(s) named in the *application form* to whom we are providing services;
- “The EIS service” refers to the Octopus Ventures EIS Service

All other words and phrases, which have a specific meaning when used in these terms, are set out in the glossary. You will be able to identify these words because they will be written in *italics*.

3 What are the services?

3.1 The *EIS service* is a discretionary investment service designed to invest your *portfolio* in the shares of companies that qualify for the Enterprise Investment Scheme (EIS)– which we refer to as *qualifying investments*. However, you should note that we are unable to give any guarantees or assurances that such investments are, or will remain, *qualifying investments*.

3.2 The *brochure* that relates to the *EIS service* describes how the Enterprise Investment Scheme (EIS) works and provides additional detail on the services we provide you in respect of it.

3.3 The assets held within your *portfolio* will be held by Octopus either through its *nominee company* or an *eligible custodian*. Any cash within your *portfolio* will be held by Octopus through an *approved bank*. These arrangements are explained further in clauses 20 and 21 of these terms.

Important regulatory information

4 Your status and our status

4.1 We have categorised you as a *retail client* in accordance with the *FCA rules* and you should be aware that this categorisation generally attracts the highest level of protection under the financial services regulatory regime in the United Kingdom. You have the right to request a different *client categorisation* and we will always consider your

request, although we are not bound to accept it. If we do accept your request, you will lose the protection afforded to you as a *retail client* under the regulatory regime in the UK. Our *client categorisation* policy is available on our website, www.octopusinvestments.com

4.2 Octopus is incorporated in England and Wales with company number: 03942880 and our registered office is at: 33 Holborn, London, United Kingdom EC1N 2HT. Octopus is authorised and regulated in the United Kingdom by the Financial Conduct Authority under Firm Reference Number: 194779. Details of our registration can be located via the *FCA's* website at fca.org.uk. The *FCA's* current address is: 12 Endeavour Square London E20 1JN.

5 What you should do if you have a complaint

5.1 We pride ourselves on delivering a first-class service to our clients, but we recognise that there are times when things go wrong, and we may fall short of your expectations. If you have a complaint, you can contact us by phone on: **0800 316 2295**, by email **complaints@octopusinvestments.com** or in writing The Complaints Manager, 33 Holborn, London EC1N 2HT. You can ask us for a copy of our complaints-handling procedure at any time.

5.2 Complaints that we are unable to settle may be referred to the Financial Ombudsman Service (“FOS”). The FOS is an independent service set up to resolve disputes between customers and businesses providing financial services. The FOS can be contacted at: Exchange Tower, London E14 9SR and further information about the FOS may be found at financial-ombudsman.org.uk.

6 The Financial Services Compensation Scheme

6.1 We are a participant in the Financial Services Compensation Scheme (the “FSCS”). As a *retail client* you may be eligible to claim compensation from the *FSCS* in certain circumstances if we, any *approved bank*, our *nominee company* or *eligible custodian* are in default. Most types of investment business are covered in full for the first £85,000 of any eligible claim. Not every investor is eligible to claim under this scheme: for further information please contact us, or the *FSCS* directly at fscs.org.uk.

Communications

7 Our communications with each other

7.1 We will communicate with you in English. All of our documentation and any other information that you receive from us will be in English. We will communicate to you in a *durable medium*, such as writing either via email or letter and/or through our secure portal.

7.2 Save for those instructions mentioned in clause 7.3 which must be made in writing, you can give us instructions in relation to the provision of our services either in writing or by telephone.

Our telephone lines that are used for receiving instructions are recorded. We will not usually accept instructions from you by fax or email. We will only act on such instructions at our discretion, where we believe that the instruction is genuine.

We will keep the records for five years. You have the right to request to access the records (note that a fee might be applied for frequent or numerous requests).

7.3 In all circumstances, instructions concerning changes to the important information that we hold about you must be given in writing. This information includes: your address details; your bank details; any instructions to withdraw money or investments from your *portfolio*; or the transfer of your *portfolio*. If you have any queries about how you should be communicating certain information to us you can phone us on: **0800 316 2295**.

7.4 We are entitled to rely upon the information provided by you, unless we are aware that the information is manifestly out-of-date, inaccurate or incomplete. This includes information contained in your *application form*. If you do not provide us with the information requested in the *application form* (or any further information requested by us), we may not be able to provide our services to you.

Operation of the EIS Service

8 Grant of discretionary authority

8.1 By entering into this *agreement*, you grant to us the exclusive right to manage your *portfolio* at our sole discretion and without prior reference to you or your *adviser* and to select and manage investments which we reasonably believe at the time of

acquisition to be *qualifying investments*, subject to the investment objectives and restrictions which apply to the *EIS service* as set out in the *brochure*. We will, normally acting as your agent, buy and/or sell one or more investments and otherwise act as we think appropriate in relation to the management of the *portfolio*, but subject always to the provisions of our *agreement*. This includes having complete discretion to buy, sell, retain, convert, exchange or otherwise deal in investments and other assets of your *portfolio*, make and withdraw deposits, execute contracts, deeds and documents, apply for issues and offers for sale and accept placings, underwritings and sub-underwritings of any investments, effect transactions on any markets or exchanges, negotiate and execute counterparty and account opening documentation, take all routine or day-to-day decisions.

8.2 If you participate in the *EIS service*, you retain beneficial ownership in the underlying investments in your *portfolio*, even though such investments will be registered in the name of the nominee company or other custodian on your behalf to whom notices of general meetings and other investor communications will be sent. We will not normally notify you of any such investor communications, particularly those of a routine or recurring nature. We may, but we need not, seek your instructions as to how we should vote on any resolutions put to members of investee entities within your *portfolio* where we consider the resolution in question to be of material importance to your *portfolio*. In addition, if you notify us in writing of a wish to be consulted in respect of any such material matters, we will use reasonable endeavours to consult you and to vote in accordance with your instructions where we deem it practical to do so, but we shall not be in breach of any provision of our agreement by reason of any failure so to consult.

8.3 There is no restriction on the amount invested in any single investment, or on the proportion of your *portfolio* in any single investment, or any particular type of investment, unless otherwise specified in the brochure. You should note that if we sell investments on your behalf, there may be tax consequences.

8.4 You grant to us the right (following your initial investment or any further investments) to hold your uninvested cash in a money market fund pending investment and to hold uninvested cash or proceeds in non-sterling accounts.

- 8.5 You acknowledge receipt of and confirm your understanding of the *brochure* and the risk factors set out in it and acknowledge and agree that we have not provided you with advice about the suitability of this product for your requirements.
- 8.6 You warrant that the cash and assets subject to our management under the agreement belong to you and shall at all times belong to you and remain free from any charge, lien, pledge or encumbrance (this means that there are no third parties who could claim any rights over such cash and assets), that you have legal power and authority to enter into and be bound by the agreement, and that all information that you have provided to us (including the information provided in your application form) is true, accurate and complete in all material respects and you have not omitted any information which may be material in respect of the *EIS service*.

We will have no responsibility or liability to you if such information is untrue, inaccurate or incomplete in any material way (save in the case of our own negligence, wilful default or fraud). You agree to notify us in writing as soon as reasonably practicable if any information you have provided needs to be updated or is no longer correct.

- 8.7 You acknowledge that the investment objectives and restrictions applicable to the *EIS service* as set out in the *brochure*, will not be treated as breached as a result of events or circumstances beyond our reasonable control.
- 8.8 You should be aware that the investments in your *portfolio* are long term investments and unlikely to be “readily realisable”. This means that it may be very difficult or, in some cases, impossible to sell them. Subject to clause 16.7, it is open to you to have your investments transferred to you should you wish to withdraw or if you wish to terminate your agreement with us.

9 Our role is limited – we do not provide investment advice

- 9.1 You acknowledge that Octopus does not give any investment or tax advice and we therefore recommend that you seek advice from your *adviser* or consult another financial *adviser* that is appropriately qualified and authorised to give investment advice. If we do provide you with information on particular investments, markets (such as market trends), or the performance of

selected companies, this should not be viewed as a personal recommendation or advice and is provided strictly for your information only.

- 9.2 You acknowledge that Octopus has no responsibility for monitoring any ongoing service which may be provided to you by your *adviser*.
- 9.3 You acknowledge that other than in respect of our obligations under the *agreement* we are not responsible for providing you, and we have not provided you with any investment advice, any tax advice, or personal recommendations in respect of your *portfolio* or in relation to your decision to invest. We shall not be liable for any losses you suffer or incur as a result of acting or deciding to act on the advice or recommendation of any third party (including your *adviser*) in relation to our services.
- 9.4 You acknowledge that it is your responsibility (or the responsibility of your *adviser*) to keep your financial circumstances, objectives and appetite for risk under review, and to assess whether the *EIS service* remains suitable for your needs.
- 9.5 We reserve the right not to accept your application if you have not received advice from an *adviser* who is suitably qualified and authorised.
- 9.6 If the relationship between you and your *adviser* ceases to exist for any reason, we would strongly recommend that you appoint a new *adviser* to ensure that the *EIS service* remains suitable for you.
- 9.7 If you choose to cancel your *adviser's* ongoing service you don't have to terminate the *EIS service*. However, you should notify us immediately and you should note that we reserve the right to charge you an additional fee to reflect the additional cost to us in providing the *EIS service* in such situations.
- 9.8 If your *adviser's* ongoing service is cancelled or otherwise ceases to exist for any reason other than the circumstances set out in clause 9.7 (eg if your *adviser* goes out of business or chooses to terminate its relationship with you) then we will take reasonable steps to assist you in seeking to find a replacement *adviser*. If, despite our assistance, you have not appointed a replacement *adviser* within 30 days of your service being cancelled or ceasing to exist you don't have to terminate the *EIS service*. However, you should note that we reserve the right to charge you an additional fee to reflect the additional cost to us in providing the *EIS service* in such situations.

10 Opening your investment account and commencing the *EIS* service

- 10.1 We will only start to provide the *EIS* service, and our *agreement* will commence, once we have received your duly completed *application form*, have successfully and to our satisfaction undertaken the customer due diligence checks required by the *applicable rules*, confirmed acceptance of your application and have received your cleared funds. We reserve the right not to accept any application where to do so may lead to a breach of the *applicable rules*. With this in mind, we will not accept any transfer of funds into your *portfolio* until we have completed to our satisfaction the customer due diligence checks required by the *applicable rules*.
- 10.2 The customer due diligence procedures referred to in clause 10.1 above include requiring proof of your identity and of your address. We shall undertake an electronic search for the purposes of verifying your identity and address. To do so, we may check the details you supply against your particulars on any database (public or otherwise) to which we have access. We may also use your details in the future to assist other companies for verification purposes. A record of this search will be retained. If we cannot verify your identity, we may ask you to provide, among other things, a recent, original bank statement and an original HMRC Tax Notification, or a copy of your passport certified by a bank, solicitor or accountant or a client verification certificate from your *adviser*. By accepting the agreement, you consent to Octopus carrying out the checks referred to in clause 10.1 above, and you agree that we may pass on such information as we consider necessary to comply with any such regulatory requirements.
- 10.3 We will acknowledge receipt of your application and funds by a *durable medium* such as writing either via email, or letter and/or through our online information system.
- 10.4 Your funds will be invested alongside funds from other customers of ours who have the same investment objectives and allocated pro rata to the investment opportunities available at that time, in accordance with our regulatory obligations as set out further at clause 15.4. We would expect the investment of your *portfolio* to happen in accordance with the timescales indicated in the brochure; however as this is a discretionary service you should note that we have the flexibility

to invest your funds as and when we consider appropriate and therefore your funds may not at all times be fully invested. It could also take longer to invest your *portfolio* if we need to wait until we have sufficient funds sourced from a number of investors to enable us to take advantage of certain opportunities to provide diversity to your *portfolio*.

- 10.5 We will not accept the transfer of any existing investments from another investment manager.
- 10.6 You are able to add to your investment by completing a new *application form*. Each additional investment should exceed the minimum investment amount as set out in the *brochure*. This is to ensure we are able to maintain diversity within your *portfolio(s)*. In certain circumstances and at our discretion, we may accept additional investments at a lower value to the minimum investment amount as set out in the brochure provided that this would not comprise diversification within your *portfolio*.

We will set up a new *portfolio* for each additional investment. This will allow us to report the performance of each of your investments separately.

11 Trustees

- 11.1 If you are a trustee of a trust, any reference in these terms to you as the client shall be construed, where appropriate to any one or more of you. We will hold all trustees jointly and severally liable under the agreement. We will ensure that any instructions are carried out in accordance with the authorisations that you (as trustee) provide to us.
- 11.2 We shall be entitled to assume that if you are trustee(s) of a trust, you have full power to deal in the assets of the *portfolio* being trust property and we shall not be liable to the beneficiaries of the trust for any action that we properly take on your behalf.
- 11.3 You must inform us promptly when a trustee dies or retires. In this event, the remaining trustees remain bound by these terms. You must also inform us promptly when a new trustee is appointed, and provide us with any documentation that we require to evidence such appointment.

12 Reporting to you

- 12.1 We will provide you with a *portfolio* valuation report on a quarterly basis and a consolidated annual report once a year through our online information service. On request we can send your

valuation to you by post. This regular report will contain the cost, current value and dividends of all holdings within your *portfolio*. Up to date valuation information will also be available to view at any time through our online information service.

- 12.2 The valuation report will also show the performance of your *portfolio* over the reporting period. As there is no active market for the investments held in your *portfolio*, we will value the investments in accordance with what we believe to be a reasonable method of valuation. If you require more information on the way in which we value your *portfolio* you can contact us.
- 12.3 All investments in your *portfolio* will be valued as at close of business on the last *business day* of the reporting period in question. Valuation reports will also show income and interest credited to your *portfolio*, all product and *adviser* fees charged and transactions made within the period. You can request a separate breakdown of costs and charges incurred in a period if you would like.
- 12.4 As required by regulation we will advise you, typically by email, if the value of your *portfolio* falls by more than 10% in a reporting period.

Fees and Charges

13 Octopus charges

- 13.1 You shall pay the fees and charges applicable to our services as set out in the *brochure*. Fees and charges will be charged with appropriate taxes applied, eg VAT.
- 13.2 An *annual management charge* and *performance fee* (which is further described in the glossary) is payable to Octopus, when a company from your *portfolio* is sold for a profit in line with the terms as set out in the *brochure*.
- 13.3 If you choose to withdraw an asset or request us to sell an asset or otherwise choose to terminate the *EIS service*, the *annual management charge* and *performance fee* will become payable on that asset or those assets at that point. The *annual management charge* and *performance fee* due will be calculated on the most up to date valuation. Payment of these fees must be made prior to the transfer of assets.

- 13.4 We can facilitate payment to your *adviser* of charges that you agree with them on your behalf in line with the terms set out in the brochure.
- 13.5 An initial charge is payable to Octopus in respect of your *EIS service*. This will be deducted from the amount of cash that you subscribe for before the balance is invested in assets in your *portfolio*.
- 13.6 A dealing fee is payable to Octopus when a qualifying investment is purchased and sold within your *portfolio*.
- 13.7 The terms together with the *brochure* sets out all of the fees and charges that will apply to your *portfolio* including transaction charges and withdrawal charges.

14 Your adviser's charges

- 14.1 Your *adviser* will have disclosed to you the total charges that relate to the advice that they gave you to invest in the *EIS service*. How you pay for your *adviser's* services depends on what you have agreed with them.
- 14.2 Any initial *adviser* charges will be deducted from the amount of cash that you subscribe before the balance is invested in your *portfolio*. The amount taken will be agreed between you as the investor and your *adviser*.
- 14.3 If you have agreed to pay for your *adviser's* charges on an ongoing basis, this will be deducted from the amount of cash that you subscribe before the balance is invested in your *portfolio*. We will continue to facilitate the payment of your *adviser's* ongoing charges as set out in the *brochure* or if earlier until you give us further instructions.
- 14.4 You are entitled to withdraw your consent to us facilitating your *adviser's* charges at any time by letting us know in writing. We will stop calculating the *adviser* charges as soon as we receive your instruction, but please note that we cannot backdate any instruction to stop paying your *adviser's* charges. Your instruction to cease facilitating your *adviser's* charges will be valid only from the date we receive it, and we will assume that your *adviser* is entitled to receive the charges that you have authorised up to the date that you withdraw your authorisation, and we will make arrangements to pay any accrued *adviser* charges from your *portfolio*. Once we have processed the charge and paid your *adviser*, we can't recover it, so you will need to take the matter up directly with your *adviser*.

14.5 If you change your *adviser* and want us to start paying charges to your new *adviser* you will need to let us know in writing. As above, we will stop calculating our previous *adviser's* charges as soon as we receive your instruction, but we will make arrangements to pay any accrued charges up to that date. Your new *adviser's* charges will start accruing from the date that we receive your instruction and will be paid from the remaining cash set aside at the beginning of your investment for *adviser* fees.

14.6 If you cancel your *adviser's* ongoing service the cash in your *portfolio* set aside to pay *adviser* fees will be returned to you where we have fully invested your *portfolio* in *qualifying investments*. Where your investment *portfolio* has not yet been fully invested, the cash will be used for *qualifying investments* in your *portfolio*.

14.7 If you choose to cancel your *adviser's* ongoing service you don't have to sell your *qualifying investments*. However you should note that we reserve the right to charge an additional fee as referred to in clause **9.7**.

15 Dealing

15.1 When we execute orders on your behalf whilst carrying out the management of your *portfolio*, we are required to take all reasonable steps to achieve what is called 'best execution'. We maintain a document which sets out our *best execution policy* (which is known as our "*best execution policy*") and is in accordance with our obligations under the *FCA rules*. Our *best execution policy* is available on our website at **octopusinvestments.com**, or you can ask us to send you a copy.

15.2 For the avoidance of doubt, by accepting the *agreement*, you consent to our *best execution policy* and you agree that we or any of our *associates* may trade outside a regulated market or multi-lateral trading facility ("MTF"). In the event that we engage in trading outside of a regulated market or MTF you should note that terms equivalent to regulated markets and/or MTFs may not apply and there is a risk that your *portfolio* may be exposed to counterparty risk. You also acknowledge that any specific instructions you may give us about the execution of orders in respect of your *portfolio* may prevent us from acting in accordance with the *best execution policy* and from achieving best execution.

15.3 You should be aware that for the *EIS service*, we are the only execution venue through which *qualifying*

investments in your *portfolio* may be bought and sold and a substantial number of transactions are carried out for your *portfolio*. Please refer to our best execution policy for further information.

15.4 We may aggregate the orders for your *portfolio* with those of other customers, *associates* or persons connected to us, but only in accordance with the *applicable rules*. It is likely that the effect of such an allocation will not work to your disadvantage; however, occasionally this may not be the case. We will allocate aggregated transactions promptly and on a fair basis, in accordance with the requirements of the *applicable rules*.

16 Withdrawals

16.1 Liquidity is expected to be available only at exit when your *qualifying investments* are sold for and on behalf of all of the investors in that *qualifying investment*. When this happens we will use any proceeds to first pay any fees due to us based on the brochure, then we will return any remaining proceeds to you. As shares in *EIS* *qualifying* companies cannot be easily sold, we do not anticipate being able to sell your *qualifying investments* to satisfy ad hoc requests outside of this investment period.

16.2 Subject to clause **16.7**, you are also entitled to withdraw the assets and/or cash from your *portfolio* at any time by giving us written notice, but you should be aware that our fees described at clause **13** and in the brochure will become payable upon such a transfer. Upon receipt of a withdrawal notice we will, as promptly as possible, transfer the cash and/or assets that you wish to withdraw to you, less any applicable fees and expenses if cash, or after we have received payment of the applicable fees and expenses if assets.

16.3 If, rather than having your assets transferred to you as provided in clause **16.2** above, you would prefer that we sell your investments on your behalf, you should be aware that making such a request is not expected to result in a sale of one or more *qualifying investments* ahead of that which we would otherwise secure for your investments as set out in clause **16.1**. This is because the *qualifying investments* are not readily marketable and may not be able to be sold before an exit is secured on behalf of all investors in that *qualifying investment*. Assuming we are able to sell your *qualifying investment*, you should be aware that our fee described in more detail at clause **13** and in the brochure will become payable upon such a

sale. You must provide us with written instructions requesting the transfer of the proceeds to you. You should include details of your nominated bank account and we will pay the sales proceeds less any amounts you may owe us into your nominated bank account.

16.4 Subject to clause **16.7**, you are also entitled to transfer one or more named qualifying investments from your *portfolio* to a *new investor* at any time by giving us written notice. This will be treated as a withdrawal and subject to the terms of clause **16.2**.

16.5 Alternatively to clause **16.4**, you are entitled to transfer all of your *portfolio*, or part of your *portfolio* pro-rata to all qualifying investments within it, to a *new investor* at any time by giving us written notice. The *new investor* will need to confirm that they agree to the terms of the *EIS service* prior to the transfer. Where your portfolio is transferred in this way, our *annual management charge* accrued to date will not become payable by you but will be transferred to the *new investor*. The *annual management charge* will continue to accrue on each qualifying investment and *performance fees* and dealing fees will be chargeable ongoing as described in clause **13** and set out in the *brochure*.

16.6 Any dividends that are received after this point will be paid to your nominated bank account within one month of receipt.

16.7 Our ability to effect a transfer of an asset to you so as to enable a withdrawal may be subject to conditions specific to the underlying asset in question, such as a requirement for you to execute a deed of adherence to underlying shareholders' agreements and any requirements for third-party approvals beyond our control. While we will make every reasonable effort to facilitate such transfer and withdrawal of assets, it cannot be guaranteed and all references to withdrawal and transfer of assets in these terms are to be interpreted as subject to this important qualification.

If, notwithstanding our reasonable efforts, we are unable to effect any such transfer or withdrawal, we may instead at our sole discretion on your behalf arrange for a sale of the assets beneficially held by you, including by way of sale at a discount to their current valuation where, in our reasonable view, there is no practical alternative. Such a sale may be made to us, to the underlying investee entity or to a third party selected by us.

16.8 Where you elect to withdraw or transfer investments or your *portfolio*, third party administration and/or custody fees and costs may apply. If you withdraw funds or assets from any of your *portfolios* we may deduct and/or invoice you our *annual management charge*, other charges including our *performance fees*, additional fees to reflect any additional cost of providing a withdrawal and any accrued *adviser charges* prior to making the payment.

16.9 Please be aware that you may lose your entitlement to certain tax reliefs if you withdraw, transfer your portfolio or sell your investments.

17 What happens when an investor dies

17.1 In the event of receiving notification of your death, we will manage your *portfolio* on a *care and maintenance* basis. No instructions will be accepted in relation to the withdrawal of funds from the *portfolio* until title to it has been established at our discretion, at which point your personal representatives may instruct us to sell, transfer or otherwise dispose of your investments. See section **16 Withdrawals** with respect to the process and terms for withdrawals and transfers.

17.2 Our annual management charge will continue to accrue for managing your portfolio on this basis and for dealing with any arrangements concerned with your death including (without limitation), closing your account with us.

17.3 We will continue to deduct our *annual management charge*, *dealing fee* and *performance fee* when a *qualifying investment* from your *portfolio* is sold as stated in the *brochure*. As this is a long term investment with no anticipated exit other than when shares are sold on behalf of all investors in a *qualifying investment*, we are unlikely to be able to close the account until all *qualifying investments* have been sold.

18 Delegation and use of agents

18.1 We may delegate any of our functions under these terms to a third party of our choosing that is competent (and if relevant, appropriately regulated) to perform such functions. We will give you written notice of any such delegation which involves the exercise of our discretionary investment management powers and will not, without your consent in writing, delegate the whole or substantially the whole of such powers.

- 18.2 We will act in good faith and with due diligence in the selection, use and monitoring of third party delegates.
- 18.3 We may from time to time change or amend the terms of the relationship with an eligible custodian, including replacement thereof, but such terms shall never be more onerous on you than those we presently have without your consent in writing.
- 18.4 We will use reasonable skill and care in our selection, monitoring and use of agents.

19 Conflicts of interest

- 19.1 We have a conflicts of interest policy (known as our “*conflicts policy*”) that sets out the types of actual or potential conflicts of interest that affect our business and how these are managed. Our *conflicts policy* can be found on our website and also includes details of any conflicts which, were they to arise, we could not effectively manage. In these circumstances we would not be in a position to provide our services to you. You acknowledge that you have read the current version of our *conflicts policy* can be found on our *website* and *policy* which is available on our website, or you can ask us for a copy. Our *conflicts policy* may be updated from time to time.
- 19.2 Some of the situations where a conflict of interest to you may arise include the following:
- Where we are likely to make a gain (or avoid a loss) at the expense of one of our clients;
 - Where our interest in an outcome is different to our clients’;
 - Where we may have an incentive to favour the interests of one of our clients over another;
 - Where we carry on the same business as our clients,
 - Where we receive an inducement from one client in relation to the services provided to another client, and
 - We may receive non-monetary benefits from third parties such as *advisers* and *brokers*.
- 19.3 You agree that we or any *associate* may effect transactions in which we or an *associate* has directly or indirectly a material interest or a relationship of any description with another party which involves or may involve a potential conflict with our duty to you. We shall ensure that such transactions are effected on terms that are not less favourable to you than if the conflict or potential conflict of

interest had not existed. Subject to the terms of our *conflicts policy* and subject to any contrary obligation under the *FCA rules* neither we nor any of our associates shall be required to account to you for any profit, commission or remuneration made or received from or by reason of such transactions.

- 19.4 It is possible that the trading activities of the entities in which your *portfolio* invests will include dealings with companies and other entities (and in the securities of such companies and entities) in which we or a member of our group (including any associate) or any client advised by us may have an interest. Such interests may include, without limitation, equity investments and/or debt investments and/or our interest as a service provider. Dealings may include the provision of credit facilities on preferred or subordinated terms. Accordingly, we or any member of our group (including any associate) may be entitled to gains, profits or fees from or in relation to such companies and entities.
- 19.5 Any additional monetary benefits not otherwise referred to above which we might receive from any third parties in the course of providing our services to you will be paid into your *portfolio*.

Holding your assets and your money

20 Money

- 20.1 Octopus holds cash in your *portfolio* as “client money” in accordance with the applicable *FCA rules*. Amongst other things, this is intended to ensure that your money is held so that it is segregated from our own funds.
- 20.2 However, your money may be pooled with money belonging to other clients, which means that you would not have a claim against a specific sum in a specific account. In such circumstances any claim which you might have would be against the client money pool in general.
- 20.3 We will deposit your money with an approved bank to be held on trust in a pooled account, separate from any account used to hold money belonging to us in our own right. Whilst we take due skill, care and diligence in selecting approved banks, we do not accept any liability for any act, omission or default on their part.

- 20.4 If the *approved bank* holding your money becomes insolvent, the nature of any significant claim that we might have would be an unsecured claim on behalf of all our customers with an interest in the pooled client account. If there is a shortfall, our clients may share that shortfall in proportion to their original share of cash in the pool.
- 20.5 You agree that your money may also be placed in a qualifying money market fund and in such case your money will be held in accordance with the *FCA rules* on custody and not client money. You should notify us in writing if you do not wish to place any of your money in such a fund.
- 20.6 To the extent that the rate Octopus earns on uninvested cash is above 1%, you will receive interest on uninvested cash held in your portfolio at that rate less 1%. Interest will accrue daily and be paid monthly. You will have no entitlement to receive interest in respect of any month where the rate Octopus earns on uninvested cash is at or less than 1% as at 3pm on the last working day of the relevant month. Where interest is payable it will be treated as client money in accordance with the *FCA rules*.
- 20.7 We may cease to treat your money as “client money” and donate it to a charity of our choice where we have held the balance for at least six years following the last movement on your account (disregarding any payment or receipt of interest, charges or similar items) provided we have made reasonable steps to trace you before doing so. Where we have paid away client money in these circumstances we will unconditionally undertake to reimburse you if you seek to claim the balance in the future, other than where the amount we have paid away (and the aggregate balance of money allocated to you) is £25 or less. This undertaking shall be retained by us indefinitely and legally enforceable by any person with a legally enforceable claim to the balance at the time it was released, or by an assign or successor in title to such claim.
- 20.8 We may transfer your client money to a third party as part of transferring all or part of our business where the money relates to the business being transferred and either: i) the sums transferred will be held by the person to whom they are transferred in accordance with the *FCA rules* on client money; or ii) if not held in accordance with such rules, we will exercise all due skill, care and

diligence in assessing whether the person to whom the money is transferred will apply adequate measures to protect those sums; or where the amount of your money is £25 or less if the terms of the business transfer will require the other person to return your money as soon as practicable at your request.

- 20.9 Client money may be transferred to third parties for the purposes of settling transactions in accordance with the *applicable rules*.

21 Assets

- 21.1 Assets held on your behalf, including any investment certificate or other documents which evidence title to assets held within your *portfolio* (including any documents of title to investments in bearer form) will be registered in the name of our *nominee company* or, if applicable, our appointed *eligible custodian*. We will, in accordance with the *FCA rules* keep records to show the beneficial owner of the assets.
- 21.2 Where we appoint an *eligible custodian* to hold your assets, whilst we will take due skill, care and diligence in the selection and monitoring of such *eligible custodian*, we do not accept any liability for any act, omission or default on the part of such *eligible custodian*.
- 21.3 Your assets will be held in a pooled account which means that whilst your assets should be held in such a way that it is readily apparent that they do not belong to us, our *nominee company* or, if applicable, an *eligible custodian*, your individual holdings and entitlements may not be identifiable by separate certificates, physical documents or equivalent electronic records on the register. In the event of an irreconcilable shortfall following any loss by or default by us, our *nominee company* or an *eligible custodian*, you may not receive your full entitlement and may have to share in a proportion of the shortfall.
- 21.4 Where assets are pooled with third parties, distribution of entitlements to any benefits or entitlements arising from corporate events will be allocated pro rata. Fractions of entitlements arising from this process will be rounded down to the nearest whole unit or share.
- 21.5 Our *nominee company*, or if applicable, an *eligible custodian*, as soon as reasonably practical, will claim and account for all dividends, interest and

other payments or entitlements received in relation to investments in your *portfolio*, but is entitled to deduct or withhold any sum on account of any tax required to be so deducted or withheld and provide you with evidence of such deduction or withholding for your tax records.

- 21.6** We may (where this is market practice) use the services of a clearing system (being any market clearance facility, settlement system, dematerialised book entry system, centralized custodial depository or similar facility, system or depository) on such terms as we believe to be appropriate, for the purposes of holding and transferring uncertificated investments.
- 21.7** You agree that it may be necessary for your assets to be held by a counterparty or sub-custodian which may be located outside of the EEA. In such circumstances, the legal and regulatory regime applying to the counterparty or sub-custodian in the name of which your assets are held will be different from that of the UK or other EEA states and in the event of a default of the counterparty or sub-custodian, assets may be treated differently from the position which would apply if the assets were held in an EEA state.
- 21.8** You authorise us to act on your behalf and exercise all rights (including voting rights) attaching to assets held in your *portfolio* as we shall deem fit and at our discretion subject at all times to our duties and obligations under the *applicable rules*.
- 21.9** We may divest ourselves of any unclaimed asset of yours by i) either liquidating the asset at market value and paying away the proceeds or ii) paying away the asset itself, in either case to a registered charity of our choice. We may only take such action where we have held the asset for at least 12 years and in the 12 years prior to such divestment we have not received instructions relating to any assets from or on behalf of you and provided we have made reasonable steps to trace you before doing so. Where we have divested your asset in these circumstances we will unconditionally undertake to pay you a sum equal to the value of the asset at the time it was liquidated or paid away if you seek to claim the asset in the future. This undertaking shall be retained by us indefinitely and legally enforceable by any person with a legally enforceable claim to the balance at the time it was released, or by an assign or successor in title to such claim.

- (e)** to reflect a change in market conditions or the overall cost of providing our services to our clients; or
- (f)** to reflect other legitimate cost increases (or reductions) associated with providing the *EIS service*.

22.3 You will be given at least 30 days' notice in respect of any significant changes to these *terms*, unless the specific circumstances require a shorter or longer period (including, without limitation, where required to do so under the *applicable rules*).

22.4 We may assign this *agreement* to any appropriately authorised and regulated person, such assignment being effective upon written notice to you. The *agreement* is personal to you and you may not assign it.

23 Termination

23.1 Should we wish to terminate these terms, we may do so by giving you not less than 30 days' prior notice. Where required to do so by the *applicable rules* or where it becomes impossible, impractical or unreasonable for us to continue to manage your *portfolio* (including where we consider at

our sole discretion that any request to sell or have assets transferred), we may terminate these terms immediately, in which case you will be notified in writing. In such circumstances we will, subject to clause 16, make arrangements to either transfer the assets in your *portfolio* to you, or appoint another investment manager in our place in accordance with clause 23.4.

23.2 We will terminate your *portfolio* if it is inactive after 2 months, where there is a nil balance in the *portfolio*.

23.3 We understand that circumstances can change, but once your application has been submitted, we can't cancel it. If you change your mind after you've sent us your application, let us know as soon as possible. We can't guarantee, but we will try to return your funds less any fees and expenses we incur to you if you contact us before the investments are made for your *portfolio*.

If your cash has been invested and you wish to terminate the *EIS service*, you should notify us of your wish to do so in writing. Subject to clause 16 and 23.4, your *portfolio* will be closed and your assets and/or cash transferred to you as soon as practically possible after we receive your written notice. Please be aware that any transactions already initiated before we receive your instructions will be completed, and that we can't transfer the assets within your *portfolio* until all amounts due to us have been paid (including any fees due under clause 13), and you provide us with written instructions confirming what you would like us to do with your *portfolio* investments and cash, including whether you would like us to sell your investments or whether you would like us to transfer the investments and cash to you (see clause 16). Please note that if qualifying investments are sold you may lose any potential entitlement to the *EIS* reliefs to which such investments are subject.

23.4 The *agreement* will continue to apply until all outstanding transactions and liabilities (including all fees owed to us) have been completed and discharged. Please note that where we are required to sell investments held in your *portfolio*, this may take place over an extended period of time as there may be limited liquidity in respect of the investments in your *portfolio*. In addition you should be aware that if we are required to liquidate

your *portfolio*, we cannot guarantee that we will be in a position to obtain the best result for you in accordance with our *best execution policy*.

23.5 After all outstanding transactions have been completed, we will provide you with a closing valuation of your *portfolio* prepared in the manner described above. Our responsibility for managing your *portfolio* and providing the *EIS service* will then cease entirely.

23.6 On termination, you will be liable to pay (and we may debit from your *portfolio*):

- (a) The *annual management charge* and *adviser charges* mentioned in clause 13 above, accrued daily up until the date of termination;
- (b) *performance fees* and other charges mentioned in clause 13 up until the date of termination;
- (c) any additional expenses necessarily incurred by us in liquidating your *portfolio*, closing out any transactions or settling or concluding outstanding obligations incurred by us on your behalf; and
- (d) our charges in connection with transferring or registering your *portfolio* into your name or as you may direct.

23.7 You should be aware that if on termination we are required to liquidate your *portfolio*, we cannot guarantee that we will be in a position to obtain the best result for you in accordance with our *best execution policy*.

23.8 Termination will not affect accrued rights, or any contractual provision intended to survive termination.

23.9 On termination, we may retain and/or realise such assets within your *portfolio* as may be required to settle transactions already initiated and to pay your outstanding liabilities. If there is a dispute as to the payment of fees to us, you may require the disputed amount to be held in an escrow account pending resolution of the dispute.

23.10 There are no cancellation rights with the *EIS service*.
