Terms and conditions

Section I

General Product Terms

1 About this document and our agreement with you

- 1.1 This document (which is referred to throughout as the “terms”) is important and you should read it carefully along with the latest versions of the other following important documents:
- the *application form* which is applicable to the specific *inheritance tax service* you have selected.
 - the *brochure* that accompanies your *application form* – which, amongst other important items, includes the investment objectives and restrictions that will apply to your *portfolio* and a number of important risk warnings.

The *brochure*, *application form* and a soft copy of this document is available on our website: octopusinvestments.com/investors/products/inheritance-tax-solutions/.

- 1.2 These *terms* apply to our entire range of products which have been designed with inheritance tax relief features (which we collectively refer to as “*inheritance tax services*”), including those products listed in clause 3.1 below and any other Octopus inheritance tax product(s) held by you on the date of issue of these terms.
- 1.3 These *terms* together with the above documents constitute our agreement with you (which we refer to as our “*agreement*”). However, for the avoidance of doubt, the provisions contained in these *terms* will take precedence if, for any reason, there is any inconsistency or conflict between those provisions and the other documents referred to above.
- 1.4 Our *agreement* governs the provision of your *inheritance tax service*. It is a legally binding contract under which we both have rights and obligations that we owe to each other. Our *agreement* supersedes any previous terms and conditions and/or related amendments which may have previously governed the basis on which we provided your *inheritance tax service* and, depending on the circumstances, will either

be effective from a date specified by us or the commencement date as provided in clause 10.1.

- 1.5 You should note that there are other materials which explain the basis on which we provide our services. However, those materials do not form part of our *agreement*. These materials are available on our website octopusinvestments.com and include:
- the *best execution policy*;
 - the *conflicts of interest policy*; and
 - the *gifts and benefits policy*.
- 1.6 We know that there is a lot of information here, but it is important that you read and understand the agreement and the risk warnings and policies referred to above before you complete your application form. **If you have any questions, we recommend that you consult a financial adviser who is appropriately qualified and authorised to give investment advice. We can’t provide you with any financial advice, but if you have any questions about the application process or the technicalities of the products, please call us on 0800 316 2295 and we’ll be happy to help you.**
- 1.7 You will see that these *terms* are divided into four separate sections:
- this **First Section** is headed “*Section 1 – General product terms*”. This section contains the terms and conditions that apply to the services we provide to you under the agreement; and
 - the **Second Section** is headed “*Section 2 – Octopus AIM Inheritance Tax ISA terms*”. This section contains the terms and conditions which, in addition to the general terms set out in the First Section, apply if your *inheritance tax service* is the Octopus AIM Inheritance Tax ISA; and
 - the **Third Section** is headed “*Section 3 – Octopus Accelerated Discounted Gift Trust additional product terms*” which sets out the specific terms that apply in addition to those terms set out in the First Section where

your *inheritance tax service* is the Octopus Accelerated Discounted Gift Trust product; and

- the **Fourth Section** is headed “*Section 4 Glossary*”. This section contains a number of words that have a specific legal meaning when used in these terms.

2 Meaning of certain words used in these terms

2.1 There are a number of words and phrases that have a specific meaning when used in these terms. So, throughout these terms:

- “we”, “us”, “our”, and “Octopus” refer to Octopus Investments Limited;
- “you” or “your” refers to the person(s) named in the application form to whom we are providing services. You should note that where your *inheritance tax service* is the *Octopus Accelerated Discounted Gift Trust* product, these terms will also apply to the trustee(s) who hold(s) that part of your *portfolio* subject to trust, as envisaged by the *brochure* applying to that service; and
- “your *inheritance tax service*” refers to the specific services you wish to receive from us in accordance with the *inheritance tax product* you have selected, as stated in your *application form*. For the avoidance of doubt your *inheritance tax service* will also apply to you in respect of an *inheritance tax product* held by you on the date of issue of these terms. All other words and phrases, which have a specific meaning when used in these terms, are set out in the glossary. You will be able to identify these words because they will be written in italics.

3 What are the services?

3.1 Octopus currently offers four different products designed to assist you with inheritance tax – these are:

- the *Octopus Inheritance Tax Service*;
- the *Octopus AIM Inheritance Tax Service*;
- the *Octopus Accelerated Discounted Gift Trust*; and
- the *Octopus AIM Inheritance Tax ISA*.

3.2 The *brochures* that relate to each of the *inheritance tax services* describe how each of these work in detail, and the services we provide in respect of each of them. Your duly completed *application form* will specify the particular *inheritance tax service* you have selected and therefore which of these services you wish to receive from us.

3.3 Your *inheritance tax service* is designed to invest your *portfolio* in investments that benefit from *Business Property Relief (or Business Relief)* – which we refer to as *qualifying investments*. However, you should note that we are unable to give any guarantees or assurances that such investments are, or will remain, *qualifying investments*.

3.4 The assets held within your *portfolio* will be held by Octopus either through its *nominee company* or an *eligible custodian*. Any cash within your *portfolio* will be held by Octopus through an *approved bank*. These arrangements are explained further in clauses 22 and 23 of these terms.

3.5 For the avoidance of doubt, where we make any further reference in these terms to the *application form* or the *brochure* – this is a reference to those specific documents that apply to your *inheritance tax service*.

Communications

7 Our communications with each other

- 7.1 We will communicate with you in English. All of our documentation and any other information that you receive from us will be in English. We will communicate to you in a durable medium, such

as writing either via email or letter and/or through our secure portal.

- 7.2 Save for those instructions mentioned in clause 7.3 which must be made in writing, you can give us instructions in relation to the provision of our services either in writing or by telephone.

Our telephone lines that are used for receiving instructions are recorded. We will not usually accept instructions from you by fax or email. We will only act on such instructions at our discretion, where we believe that the instruction is genuine. We will keep the records for five years. You have the right to request to access the records (note that a fee might be applied).

- 7.3 In all circumstances, instructions concerning changes to the important information that we hold about you must be given in writing. This information includes: your address details; your bank details; and any instructions to withdraw money or investments from your portfolio. If you have any queries about how you should be communicating certain information to us you can phone us on: **0800 316 2295**.
- 7.4 We are entitled to rely upon the information provided by you, unless we are aware that the information is manifestly out-of-date, inaccurate or incomplete. This includes information contained in your *application form*. If you do not provide us with the information requested in the *application form* (or any further information requested by us), we may not be able to provide our services to you.

Operation of your inheritance tax service

8 Grant of discretionary authority

- 8.1 By entering into this *agreement*, you grant to us the exclusive right to manage your *portfolio* at our sole discretion and without prior reference to you or your *adviser* and to select and manage investments which we reasonably believe at the time of acquisition to be *qualifying investments*, subject to the investment objectives and restrictions which apply to your *inheritance tax service* as set out in the *brochure*. We will, normally acting as your agent, buy and/or sell one or more investments and otherwise act as we think appropriate in relation to the management of the

portfolio, but subject always to the provisions of our *agreement*.

- 8.2 There is no restriction on the amount invested in any single investment, or on the proportion of your *portfolio* in any single investment, or any particular type of investment, or on the markets on which transactions are effected, unless otherwise specified in the *brochure*. You should note that if we sell investments on your behalf, there may be tax consequences. You should speak to your *adviser*/tax adviser about this.
- 8.3 You grant to us the right (following your initial investment or any further investments) to hold your un-invested cash in a money market fund pending investment.
- 8.4 You acknowledge receipt of and confirm your understanding of the *brochure* and the risk factors set out in it and acknowledge and agree that we have not provided you with advice about the suitability of this product for your requirements.
- 8.5 You warrant that the cash and assets subject to our management under the *agreement* belong to you and shall at all times belong to you and remain free from any charge, lien, pledge or encumbrance (this means that there are no third parties who could claim any rights over such cash and assets), that you have legal power and authority to enter into and be bound by the *agreement*, and that all information that you have provided to us (including the information provided in your *application form*) is true, accurate and complete in all material respects and you have not omitted any information which may be material in respect of your *inheritance tax service*. We will have no responsibility or liability to you if such information is untrue, inaccurate or incomplete in any material way (save in the case of our own negligence, wilful default or fraud). You agree to notify us in writing as soon as reasonably practicable if any information you have provided needs to be updated or is no longer correct.
- 8.6 You acknowledge that the investment objectives and restrictions applicable to your *inheritance tax service*, as set out in the *brochure*, will not be treated as breached as a result of events or circumstances beyond our reasonable control.
- 8.7 You should be aware that the investments in your portfolio are unlikely to be "readily realisable". This means that it may be difficult or, in some cases,

impossible to sell them. It is open to you to have your investments transferred to you should you wish to withdraw or if you wish to terminate your agreement with us.

9 Our role is limited – we do not provide investment advice

- 9.1 You acknowledge that Octopus does not give any investment or tax advice and we therefore recommend that you seek advice from your *adviser* or consult another financial adviser that is appropriately qualified and authorised to give investment advice. If we do provide you with information on particular investments, markets (such as market trends), or the performance of selected companies, this should not be viewed as a personal recommendation or advice and is provided strictly for your information only.
- 9.2 You acknowledge that Octopus has no responsibility for monitoring any on going service which may be provided to you by your *adviser*.
- 9.3 You acknowledge that other than in respect of our obligations under the *agreement* we are not responsible for providing you, and we have not provided you with any investment advice, any tax advice, or personal recommendations in respect of your *portfolio* or in relation to your decision to invest. We shall not be liable for any losses you suffer or incur as a result of acting or deciding to act on the advice or recommendation of any third party (including your *adviser*) in relation to our services.
- 9.4 You acknowledge that it is your responsibility (or the responsibility of your *adviser*) to keep your financial circumstances, objectives and appetite for risk under review, and to assess whether your *inheritance tax service* remains suitable for your needs.
- 9.5 We reserve the right not to accept your application if you have not received advice from an *adviser* who is suitably qualified and authorised.
- 9.6 If the relationship between you and your *adviser* ceases to exist for any reason, we would strongly recommend that you appoint a new *adviser* to ensure that your *inheritance tax service* remains suitable for you.
- 9.7 If you choose to cancel your adviser's ongoing service you don't have to terminate your

inheritance tax service. However, you should notify us intermediately and you should note that we reserve the right to charge you an additional fee to reflect the additional cost to us in providing the service in such situations.

- 9.8 If your adviser's ongoing service is cancelled or otherwise ceases to exist for any reason other than the circumstances set out in clause 9.7 (eg if your adviser goes out of business or chooses to terminate its relationship with you) then we will take reasonable steps to assist you in seeking to find a replacement adviser. If, despite our assistance, you have not appointed a replacement adviser within 30 days of your service being cancelled or ceasing to exist you don't have to terminate your *inheritance tax service*. However, you should note that we reserve the right to charge you an additional fee to reflect the additional cost to us in providing the service in such situations.

10 Opening your investment account and commencing your Inheritance Tax Service

- 10.1 We will only start to provide your *inheritance tax service*, and our *agreement* will commence, once we have received your duly completed *application form*, have successfully and to our satisfaction undertaken the customer due diligence checks required by the *applicable rules*, confirmed acceptance of your application and have received your cleared funds. We reserve the right not to accept any application where to do so may lead to a breach of the *applicable rules*. With this in mind, we will not accept any transfer of funds into your *portfolio* until we have completed to our satisfaction the customer due diligence checks required by the *applicable rules*.
- 10.2 The customer due diligence procedures referred to in Clause 10.1 above include requiring proof of your identity and of your address. We shall undertake an electronic search for the purposes of verifying your identity and address. To do so, we may check the details you supply against your particulars on any database (public or otherwise) to which we have access. We may also use your details in the future to assist other companies for verification purposes. A record of this search will be retained. If we cannot verify your identity, we may ask you to provide, among other things, a recent, original bank statement and an original HMRC Tax Notification, or a copy of your passport

certified by a bank, solicitor or accountant or a client verification certificate from your *adviser*. By accepting the *agreement*, you consent to Octopus carrying out the checks referred to in clause 10.1 above, and you agree that we may pass on such information as we consider necessary to comply with any such regulatory requirements.

- 10.3 We will acknowledge receipt of your application by return post. Once your funds have cleared in your account, we will begin the investment process. We would expect this to happen in accordance with the timescales indicated in the *brochure*; however as this is a discretionary service you should note that we have the flexibility to invest your funds as and when we consider appropriate and therefore your funds may not at all times be fully invested.

- 10.4 We will accept the transfer of your existing investments from another investment manager in cash. We are not usually able to accept "in specie" transfers. If you want to transfer investments from another investment manager you will need to complete a transfer of authority form and return it to us. We can't accept any responsibility for losses incurred or delays caused in the transfer or payment of proceeds to us.

11 Trustees

- 11.1 If you are a trustee of a trust, any reference in these terms to you as the client shall be construed, where appropriate to any one or more of you. We will hold all trustees jointly and severally liable under the *agreement*. We will ensure that any instructions are carried out in accordance with the authorisations that you (as trustee) provide when you complete the *application form*.
- 11.2 We shall be entitled to assume that if you are trustee(s) of a trust, you have full power to deal in the assets of the *portfolio* being trust property and we shall not be liable to the beneficiaries of the trust for any action that we properly take on your behalf.
- 11.3 You must inform us promptly when a trustee dies or retires. In this event, the remaining trustees remain bound by these *terms*. You must also inform us promptly when a new trustee is appointed, and provide us with any documentation that we require to evidence such appointment.

12 Reporting to you

- 12.1 We will provide you with a *portfolio* valuation report on a quarterly basis and a consolidated annual report once a year. You can also ask us to send you a valuation at any time. This regular report will contain the cost, current value and dividends of all holdings within your *portfolio*.
- 12.2 The report will also show the performance of your *portfolio* over the reporting period. If there is no active market for the investments held in your *portfolio*, we will value the investments in accordance with what we believe to be a reasonable method of valuation. If you require more information on the way in which we value your *portfolio* you can contact us.
- 12.3 All investments in your *portfolio* will be valued at close of business on the last *business day* of the reporting period in question. Valuation reports will also show income and interest credited to your *portfolio*, all product and adviser fees charged and transactions made within the period. You can request a separate breakdown of costs and charges incurred in a period if you would like.
- 12.4 Information about your *portfolio*, including the cost, current value and dividends of all holdings within your *portfolio* will be available to view online. As required by regulation, we will advise you if the value of your portfolio falls by more than 10% in a reporting period.

Fees and Charges

13 Charges – General

- 13.1 How you are charged in respect of our services may depend on when the advice to invest in the *inheritance tax service* was given.
- 13.2 As set out in the 'Annual management charge' section below an *annual management charge* (which is further described in the glossary) is payable to Octopus, which is based on the value of your *portfolio* and is charged at such intervals as stated in the relevant *product brochure*.
- 13.3 Your *adviser's* charges will either take the form of a commission that is agreed between you and your *adviser*, and is paid by Octopus, or a separate

adviser charge, where we can facilitate payment to your *adviser* on your behalf.

- 13.4 An initial charge may also apply to your *inheritance tax service*, full details of our fees and charges are set out in the corresponding *product brochures*.

14 Annual management charge

- 14.1 You shall pay the fees and charges applicable to our services as set out in the relevant *product brochure*. Fees and charges will be charged with appropriate taxes applied, eg VAT.
- 14.2 The *annual management charge* will be deducted and you authorise us to make such deductions from any cash in your *portfolio* at such intervals as stated in the relevant *product brochure*. In circumstances where there are insufficient monies available to meet our *annual management charge*, then we may at our discretion elect either:
- to roll this up interest free to be deducted proportionally across the *portfolio* on a later occasion when sufficient monies may be available to cover such annual management charge, whether such monies are derived from dividends, investment liquidity events, additional investments made by you or otherwise; or
 - liquidate a sufficient amount of assets proportionally across the *portfolio* in order to meet such fees and charges.

15 Your adviser's charges

- 15.1 Your *adviser* will have disclosed to you the total charges that relate to the advice that they gave you to invest in your *inheritance tax service*. How you pay for your *adviser's* services may depend on when the advice to invest in your *inheritance tax service* was given.
- 15.2 If the advice to invest in your *inheritance tax service* was given before 31 December 2012, your *adviser* may receive a payment from us as a commission. Your *adviser* will tell you the amount of this commission and disclose it to you in the *application form*.
- 15.3 If the advice to invest in your *inheritance tax service* was given after 31 December 2012, or if new advice in respect of your existing investments was given to you after 31 December 2012, your *adviser* will be paid for their advice by separate *adviser*

charges rather than as a portion of the *annual management charge*. If you would like us to facilitate the payment of your *adviser's* charges on your behalf you will need to complete the relevant section of the *application form*.

- 15.4 Any initial *adviser* charges will be deducted from the amount of cash that you subscribe before the balance is invested in your *portfolio*. The amount taken will be agreed between you as the investor and your *adviser*.
- 15.5 If you have agreed to pay for your *adviser's* charges on an ongoing basis, we will continue to facilitate the payment of your *adviser's* ongoing charges until you give us further instructions or until the value of your portfolio is nil.
- 15.6 Please note that where you invest in the *Octopus Accelerated Discounted Gift Trust*, any *adviser* charges which you have agreed to pay can only be facilitated from the portion of your *portfolio* that has not been settled on trust. In addition, you should be aware that we are unable to facilitate the payment of your *adviser's* charges in respect of any advice that your adviser may provide to the trustees you have appointed in respect of the *octopus accelerated discounted gift trust*.
- 15.7 You are entitled to withdraw your consent to us facilitating your *adviser's* charges at any time by letting us know in writing. We will stop calculating the *adviser* charges as soon as we receive your instruction, but please note that we cannot backdate any instruction to stop paying your *adviser's* charges. Your instruction to cease facilitating your *adviser's* charges will be valid only from the date we receive it, and we will assume that your *adviser* is entitled to receive the charges that you have authorised up to the date that you withdraw your authorisation, and we will make arrangements to pay any accrued *adviser* charges from your *portfolio*. Once we have processed the charge and paid your *adviser*, we can't recover it, so you will need to take the matter up directly with your *adviser*.
- 15.8 If you change your *adviser* and want us to start paying charges to your new *adviser* you will need to let us know in writing. As above, we will stop calculating our previous *adviser's* charges as soon as we receive your instruction, but we will make arrangements to pay any accrued charges up to that date. Your new *adviser's* charges will

start accruing from the date that we receive your instruction.

- 15.9 If you cancel your *adviser's* ongoing service you also need to tell us to cease debiting your *portfolio* to pay your *adviser's* ongoing charges.
- 15.10 If you choose to cancel your *adviser's* ongoing service you don't have to sell your investments. However you should note that we reserve the right to charge an additional fee as referred to in clause 9.7.

16 Other charges

- 16.1 The relevant *product brochure* sets out all of the fees and charges that will apply to your *portfolio*, including transaction charges, transfer charges and withdrawal charges.

17 Dealing

- 17.1 When we execute orders on your behalf whilst carrying out the management of your *portfolio*, we are required to take all reasonable steps to achieve what is called 'best execution'. We maintain a document which sets out our best execution policy (which is known as our "*best execution policy*") and is in accordance with our obligations under the *FCA rules*. Our *best execution policy* is available on our website at [octopusinvestments.com](https://www.octopusinvestments.com), or you can ask us to send you a copy.
- 17.2 For the avoidance of doubt, by accepting the *agreement*, you consent to our *best execution policy* and you agree that we or any of our *associates* may trade outside a regulated market or multi-lateral trading facility ("*MTF*"). In the event that we engage in trading outside of a regulated market or MTF you should note that terms equivalent to regulated markets and/or MTFs may not apply and there is a risk that your *portfolio* may be exposed to counterparty risk. You also acknowledge that any specific instructions you may give us about the execution of orders in respect of your *portfolio* may prevent us from acting in accordance with the *best execution policy* and from achieving best execution.
- 17.3 You should be aware that for the *Octopus inheritance tax service* and the *Octopus Accelerated Discounted Gift Trust* products we are the only execution venue through which investments may be bought and sold for your

portfolio. Please refer to our *best execution policy* for further information.

- 17.4 We may aggregate the orders for your *portfolio* with those of other customers, associates or persons connected to us, but only in accordance with the *applicable rules*. It is likely that the effect of such an allocation will not work to your disadvantage; however, occasionally this may not be the case. We will allocate aggregated transactions promptly and on a fair basis, in accordance with the requirements of the *applicable rules*.

18 Withdrawals

- 18.1 You are entitled to withdraw the assets and/or cash from your *portfolio* at any time by giving us written notice. If you have invested in the *Octopus Accelerated Discounted Gift Trust* product, the specific provisions in clause 18.5 and Section 3 – *Octopus Accelerated Discounted Gift Trust additional product terms* will also apply.

Upon receipt of a withdrawal notice we will, as promptly as possible, transfer the cash and/or assets that you wish to withdraw.

- 18.2 If, rather than having your assets transferred to you as provided in clause 18.1 above you would prefer that we sell your investments on your behalf and, assuming your investments can be sold, transfer to you the sales proceeds, then you must provide us with written instructions to that effect. We will pay the sales proceeds less any amounts you may owe us into your nominated bank account.
- 18.3 Where you instruct us to sell the assets in your *portfolio* you should be aware that investments may not be readily marketable and the timing of any sale cannot be predicted. In the normal course of events investments in *AIM* companies are usually realised within 10 days; however, you should be aware that large transactions may take longer. In the event that we are unable to sell your investments within six months of your instruction these will be transferred to you.
- 18.4 Once you have fully withdrawn your investments we will keep your *portfolio* open for 2 months, or 6 months in respect of any assets held under an *Octopus AIM Inheritance Tax ISA*, to allow for any interest and dividends to be paid. At this point

we will transfer the proceeds into your nominated bank account.

- 18.5 Where you have invested in the *Octopus Accelerated Discounted Gift Trust* product, you will not have the ability to withdraw the cash and/or assets in your *portfolio* that you have settled on trust, other than those withdrawal amounts that are specified in the applicable trust deed.
- 18.6 Where you elect to withdraw or transfer investments, third party administration and/or custody fees and costs may apply. If you fully withdraw funds from any of your *portfolios* we may deduct our *annual management charge* and any accrued *adviser* charges prior to making the payment.

19 What happens when an investor dies

- 19.1 In the event of receiving notification of your death, we will manage your *portfolio* on a *care and maintenance* basis. No instructions will be accepted in relation to the withdrawal of funds from the portfolio until title to it has been established at our discretion, at which point your personal representatives may instruct us to sell, transfer or otherwise dispose of your investments.
- 19.2 We will continue to deduct our *annual management charge* from your *portfolio* for managing your *portfolio* on this basis and for dealing with any arrangements concerned with your death, including (without limitation) closing your account with us.

20 Delegation and use of agents

- 20.1 We may delegate any of our functions under these *terms* to a third party of our choosing that is competent (and if relevant, appropriately regulated) to perform such functions. We will give you written notice of any such delegation which involves the exercise of our discretionary investment management powers and will not, without your consent in writing, delegate the whole or substantially the whole of such powers.
- 20.2 We will act in good faith and with due diligence in the selection, use and monitoring of third party delegates.
- 20.3 We will use reasonable skill and care in our selection, monitoring and use of agents.

21 Conflicts of interest

21.1 We have a conflicts of interest policy (known as our “*conflicts policy*”) that sets out the types of actual or potential conflicts of interest that affect our business and how these are managed. Our *conflicts policy* can be found on our website and also includes details of any conflicts which, were they to arise, we could not effectively manage. In these circumstances we would not be in a position to provide our services to you. You acknowledge that you have read the current version of our *conflicts can be found on our website and policy* which is available on our website, or you can ask us for a copy. Our *conflicts policy* may be updated from time to time.

21.2 Some of the situations where a conflict of interest to you may arise include the following:

- Where we are likely to make a gain (or avoid a loss) at the expense of one of our clients;
- Where our interest in an outcome is different to our clients’;
- Where we may have an incentive to favour the interests of one of our clients over another;
- Where we carry on the same business as our clients, and
- Where we receive an inducement from one client in relation to the services provided to another client.
- We may receive non-monetary benefits from third parties such as advisers and brokers.

21.3 You agree that we or any *associate* may effect transactions in which we or an *associate* has directly or indirectly a material interest or a relationship of any description with another party which involves or may involve a potential conflict with our duty to you. We shall ensure that such transactions are effected on terms that are not less favourable to you than if the conflict or potential conflict of interest had not existed. Subject to the terms of our *conflicts policy* and subject to any contrary obligation under the *FCA rules* neither we nor any of our *associates* shall be required to account to you for any profit, commission or remuneration made or received from or by reason of such transactions.

21.4 In the case of the *Octopus Inheritance Tax Service* and the *Octopus Accelerated Gift Trust* products it is likely that the trading activities of the entities in which your *portfolio* invests will include dealings with companies and other entities (and in the securities of such companies and entities) in which we or a member of our group (including any *associate*) or any client advised by us may have an interest. Such interests may include, without limitation, equity investments and/or debt investments and/or our interest as a service provider. Dealings may include the provision of credit facilities on preferred or subordinated terms. Accordingly, we or any member of our group (including any *associate*) may be entitled to gains, profits or fees from or in relation to such companies and entities.

21.5 Any additional monetary benefits not otherwise referred to above which we might receive from any third parties in the course of providing our services to you will be paid into your *portfolio*.

Holding your assets and your money

22 Money

22.1 Octopus holds cash in your *portfolio* as “client money” in accordance with the applicable *FCA rules*. Amongst other things, this is intended to ensure that your money is held so that it is segregated from our own funds.

22.2 However, your money may be pooled with money belonging to other clients, which means that you would not have a claim against a specific sum in a specific account. In such circumstances any claim which you might have would be against the client money pool in general.

22.3 We will deposit your money with an *approved bank* to be held on trust in a pooled account, separate from any account used to hold money belonging to us in our own right. Whilst we take due skill, care and diligence in selecting *approved banks*, we do not accept any liability for any act, omission or default on their part.

22.4 If the *approved bank* holding your money becomes insolvent, the nature of any significant claim that we might have would be an unsecured claim on

behalf of all our customers with an interest in the pooled client account. If there is a shortfall, our clients may share that shortfall in proportion to their original share of cash in the pool.

- 22.5 You agree that your money may also be placed in a qualifying money market fund and in such case your money will be held in accordance with the *FCA rules* on custody and not client money. You should notify us in writing if you do not wish to place any of your money in such a fund.
- 22.6 To the extent that the Bank of England base rate is above 1%, you will receive interest on uninvested cash held in your *portfolio* at the rate of the Bank of England base rate less 1%. Interest will accrue daily and be paid monthly. You will have no entitlement to receive interest in respect of any month where the Bank of England base rate is at or less than 1% as at 3pm on the last working day of the relevant month. To the extent that the interest rates agreed with approved banks exceed the Bank of England base rate less 1%, we will retain the difference. Where interest is payable it will be treated as client money in accordance with the *FCA rules*.
- 22.7 We may cease to treat your money as “client money” and donate it to a charity of our choice where we have held the balance for at least six years following the last movement on your account (disregarding any payment or receipt of interest, charges or similar items) provided we have made reasonable steps to trace you before doing so. Where we have paid away client money in these circumstances we will unconditionally undertake to reimburse you if you seek to claim the balance in the future, other than where the amount we have paid away (and the aggregate balance of money allocated to you) is £25 or less. This undertaking shall be retained by us indefinitely and legally enforceable by any person with a legally enforceable claim to the balance at the time it was released, or by an assign or successor in title to such claim.
- 22.8 We may transfer your client money to a third party as part of transferring all or part of our business where the money relates to the business being transferred and either: i) the sums transferred will be held by the person to whom they are transferred in accordance with the *FCA rules* on client money; or ii) if not held in accordance with such rules, we will exercise all due skill, care and diligence in assessing whether the person to whom the money is transferred will apply adequate measures to

protect those sums; or where the amount of your money is £25 or less if the terms of the business transfer will require the other person to return your money as soon as practicable at your request.

- 22.9 Client money may be transferred to third parties for the purposes of settling transactions in accordance with the *applicable rules*.

23 Assets

- 23.1 Assets held on your behalf, including any investment certificate or other documents which evidence title to assets held within your *portfolio* (including any documents of title to investments in bearer form) will be registered in the name of our *nominee company* or, if applicable, our appointed *eligible custodian*. We will, in accordance with the *FCA rules* keep records to show the beneficial owner of the assets.
- 23.2 Where we appoint an *eligible custodian* to hold your assets, whilst we will take due skill, care and diligence in the selection and monitoring of such *eligible custodian*, we do not accept any liability for any act, omission or default on the part of such *eligible custodian*. As at the date of issue of these terms, we have appointed an eligible custodian to hold investments in relation to the *Octopus AIM Inheritance Tax ISA*. Do contact us if you would like further information about this.
- 23.3 Your assets will be held in a pooled account which means that whilst your assets should be held in such a way that it is readily apparent that they do not belong to us, our *nominee company* or, if applicable, an *eligible custodian*, your individual holdings and entitlements may not be identifiable by separate certificates, physical documents or equivalent electronic records on the register. In the event of an irreconcilable shortfall following any loss by or default by us, our *nominee company* or an *eligible custodian*, you may not receive your full entitlement and may have to share in a proportion of the shortfall.
- 23.4 Where assets are pooled with third parties, distribution of entitlements to any benefits or entitlements arising from corporate events will be allocated pro rata. Fractions of entitlements arising from this process will be rounded down to the nearest whole unit or share.
- 23.5 Our *nominee company*, or if applicable, an *eligible custodian*, as soon as reasonably practical, will

claim and account for all dividends, interest and other payments or entitlements received in relation to investments in your *portfolio*, but is entitled to deduct or withhold any sum on account of any tax required to be so deducted or withheld and provide you with evidence of such deduction or withholding for your tax records.

- 23.6** We may (where this is market practice) use the services of a clearing system (being any market clearance facility, settlement system, dematerialised book entry system, centralized custodial depository or similar facility, system or depository) on such terms as we believe to be appropriate, for the purposes of holding and transferring uncertificated investments.
- 23.7** You agree that it may be necessary for your assets to be held by a counterparty or sub-custodian which may be located outside of the EEA. In such circumstances, the legal and regulatory regime applying to the counterparty or sub-custodian in the name of which your assets are held will be different from that of the UK or other EEA states and in the event of a default of the counterparty or sub-custodian, assets may be treated differently from the position which would apply if the assets were held in an EEA state.
- 23.8** You authorise us to act on your behalf and exercise all rights (including voting rights) attaching to assets held in your portfolio as we shall deem fit and at our discretion subject at all times to our duties and obligations under the *applicable rules*.
- 23.9** We may divest ourselves of any unclaimed asset of yours by i) either liquidating the asset at market value and paying away the proceeds or ii) paying away the asset itself, in either case to a registered charity of our choice. We may only take such action where we have held the asset for at least 12 years and in the 12 years prior to such divestment we have not received instructions relating to any assets from or on behalf of you and provided we have made reasonable steps to trace you before doing so. Where we have divested your asset in these circumstances we will unconditionally undertake to pay you a sum equal to the value of the asset at the time it was liquidated or paid away if you seek to claim the asset in the future. This undertaking shall be retained by us indefinitely and legally enforceable by any person with a legally enforceable claim to the balance at the time it was released, or by an assign or successor in title to such claim.

General

24 Variation and assignment

- 24.1** Subject to clause 24.2, these *terms* may only be amended by the parties as agreed from time to time.
- 24.2** We may change these terms at any time and we will notify you of any material changes. The latest copy of these terms can be found on our website. We will notify you of any changes including fees and charges or the level of service provided under your *inheritance tax service* for any of the following reasons:
- (a) to make them fairer or more easily understandable, or to correct a mistake (provided that this correction would not adversely affect you);
 - (b) to respond proportionately to changes in the applicable rules or the decisions of any relevant regulatory authority;
 - (c) to reflect new industry guidance and codes of practice;
 - (d) to reflect a change in technology, to cover an improvement or change in the way in which we provide your *inheritance tax service*;
 - (e) to reflect a change in market conditions or the overall cost of providing our services to our clients; or
 - (f) to reflect other legitimate cost increases (or reductions) associated with providing your *inheritance tax service*.
- 24.3** You will be given at least 30 days' notice in respect of any significant changes to these *terms*, unless the specific circumstances require a shorter or longer period (including, without limitation, where required to do so under the *applicable rules*).
- 24.4** We may assign this *agreement* to any appropriately authorised and regulated person, such assignment being effective upon written notice to you. The *agreement* is personal to you and you may not assign it.

25 Termination

- 25.1 Should we wish to terminate these *terms*, we may do so by giving you not less than 30 days' prior notice. Where required to do so by the *applicable rules* or where it becomes impossible, impractical or unreasonable for us to continue to manage your *portfolio*, we may terminate these *terms* immediately, in which case you will be notified in writing. In such circumstances we will make arrangements to either transfer the assets in your *portfolio* to you, or appoint another investment manager in our place in accordance with clause 25.4.
- 25.2 We will terminate your *portfolio* if it is inactive after 2 months, where there is a nil balance in the *portfolio*.
- 25.3 If you wish to terminate your *portfolio* you should notify us of your wish to do so in writing. Subject to clause 25.4, your *portfolio* will be closed as soon as practically possible after we receive your written notice. Please be aware that any transactions already initiated before we receive your instructions will be completed, and that we can't transfer the assets within your *portfolio* until all amounts due to us have been paid, and you provide us with written instructions confirming what you would like us to do with your *portfolio* investments and cash, including whether you would like us to sell your investments or whether you would like us to transfer the investments and cash to you (see clause 18). Please note that if *qualifying investments* are sold you will lose any potential entitlement to the *Business Property Relief* to which such investments are subject.
- 25.4 The *agreement* will continue to apply until all outstanding transactions and liabilities have been completed and discharged. Please note that where we are required to sell investments held in your *portfolio*, this may take place over an extended period of time as there may be limited liquidity in respect of the investments in your *portfolio*. In addition you should be aware that if we are required to liquidate your *portfolio*, we cannot guarantee that we will be in a position to obtain the best result for you in accordance with our *best execution policy*.
- 25.5 After all outstanding transactions have been completed, we will provide you with a closing

valuation of your *portfolio* prepared in the manner described above. Our responsibility for managing your *portfolio* and providing your *inheritance tax service* will then cease entirely.

- 25.6 On termination, you will be liable to pay (and we may debit from your *portfolio*):
- (a) all fees and other charges mentioned in clauses 14-16 above, accrued daily up until the date of termination;
 - (b) any additional expenses necessarily incurred by us in liquidating your *portfolio*, closing out any transactions or settling or concluding outstanding obligations incurred by us on your behalf; and
 - (c) our charges in connection with transferring or registering your *portfolio* into your name or as you may direct.
- 25.7 You should be aware that if on termination we are required to liquidate your *portfolio*, we cannot guarantee that we will be in a position to obtain the best result for you in accordance with our *best execution policy*.
- 25.8 Termination will not affect accrued rights, or any contractual provision intended to survive termination.
- 25.9 On termination, we may retain and/or realise such assets within your *portfolio* as may be required to settle transactions already initiated and to pay your outstanding liabilities. If there is a dispute as to the payment of fees to us, you may require the disputed amount to be held in an escrow account pending resolution of the dispute.
- 25.10 There are no cancellation rights with these products.

27 Our liability

27.1 For the avoidance of doubt, nothing in these *terms* or the *agreement* is deemed to limit any liability we may owe you under the *applicable rules* (including for the avoidance of doubt, *FSMA*, any regulations made under *FSMA* or the *FCA* rules).

27.2 We will act in good faith and with due diligence in managing your *portfolio* in accordance with the *agreement*. We accept responsibility for loss to you only to the extent that such loss is due to our negligence, wilful default or fraud.

27.3 Subject to clause 27.2 above, we will not be liable for any loss in value which your *portfolio* suffers, or for our failure to perform investment transactions for the account of your *portfolio*, in the event of any failure, interruption or delay in the performance of our obligations resulting from acts, events or circumstances that are not reasonably within our control. Acts, events or circumstances that are not reasonably within our control, may for example, include: the acts or regulations of any governmental, supranational body or authority; breakdown, failure or malfunction of any telecommunications or computer service or services; disruptions to stock markets (for example, our ability to deal on stock markets); and acts of war, terrorism, civil unrest or natural disaster.

27.4 Subject to clause 27.2 above, we accept no responsibility for any loss of tax benefits that you may suffer as a result of any transactions that we carry out for your *portfolio*. In addition, we shall not be liable for any loss or damage of any direct or indirect or consequential nature caused by the retraction by HMRC of its approval of any ISA or any changes in law.

27.5 You should note that in the case of the *Octopus Accelerated Discounted Gift Trust*, the availability and level of any immediate discount to inheritance tax could be subject to challenge by HMRC. A successful challenge could result in a recalculation or loss of the relevant inheritance tax relief. In that event, your estate or the trustees of the *Octopus Accelerated Discounted Gift Trust* may suffer an inheritance tax liability. Subject to the *applicable rules* and clause 27.2 above, Octopus cannot be held liable for any loss suffered as a result of a challenge by HMRC.

27.6 Where we are liable to you under this agreement, subject to the provisions above, our liability shall be limited to the replacement of the assets or cash held in your *portfolio* (including interest) lost or foregone as an immediate result of our action or failure to act. We will not be liable for any consequential, indirect, special, incidental, punitive or exemplary loss, liability or cost that you may suffer or incur arising out of our acts or omissions however that loss, liability or cost is caused and regardless of whether it was foreseeable or not. This means that we will not be liable for any losses that are indirectly associated with the specific incident that has caused you to claim (for example, loss you may incur from your not being able to sell investments where the prices of such investments are falling or from not being able to purchase investments where the price of investments are rising, loss which may arise from our not being able to complete transactions for your *portfolio*, loss of profits, loss of business or loss of data).

28 Interpreting these terms

28.1 The *agreement* is based on our understanding of current law and the *applicable rules*. It is governed by and is to be construed in accordance with English law. The English Courts have nonexclusive jurisdiction in respect of any claim between you and us.

28.2 Nothing in the *agreement* shall exclude or restrict any obligation that we may have to you under the *applicable rules*.

Save as otherwise provided under this clause, a person who is not a party to the *agreement* may not enforce any of its terms under the Contracts (Rights of Third Parties) Act 1999.

Section 2

Octopus AIM Inheritance Tax ISA Terms

This section of the document contains the terms and conditions that will apply, together with the *general terms* and the *ISA application form* if your *inheritance tax service* is the *Octopus AIM Inheritance Tax ISA*. To the extent there is any conflict or inconsistency between the *general terms* and these *Octopus AIM Inheritance Tax ISA terms*, these *Octopus AIM Inheritance Tax ISA terms* shall take precedence in relation to the provision of the *Octopus AIM Inheritance Tax ISA*.

1 Our status

- 1.1 Octopus is an ISA Manager and has been approved by HMRC to act as an ISA Manager in respect of the stocks and shares component of an ISA. We will manage your ISA in accordance with the *applicable rules*.
- 1.2 We only offer a stocks and shares ISA and do not offer a cash ISA.

2 Subscribing to an Octopus AIM Inheritance Tax ISA and further payments

- 2.1 If you subscribe to an *Octopus AIM Inheritance Tax ISA* you may not subscribe to another stocks and shares ISA in the same UK *tax year*.
- 2.2 Your *adviser* will tell you whether or not you are eligible to subscribe to an *Octopus AIM Inheritance Tax ISA*, and how much you can subscribe in any particular UK *tax year*. You are responsible for ensuring that you don't exceed your maximum allowance in any relevant *tax year*.
- 2.3 The minimum investment into an *Octopus AIM Inheritance Tax ISA* is specified in the brochure. This may comprise a combination of either (i) and (ii) below or (ii) only:
 - i) an initial subscription of such amount as does not exceed the maximum allowance in the relevant *tax year*;
 - ii) the transfer of your existing ISA(s) from another ISA Manager(s) in cash.
- 2.4 Because the rules on taxation can change, we can't guarantee that the UK tax treatment of your *Octopus AIM Inheritance Tax ISA* will continue

during the lifetime of your investment. If you are uncertain about this or any aspect of how an investment may relate to your tax position, please seek professional advice.

- 2.5 You can make a lump sum payment to your *Octopus AIM Inheritance Tax ISA* by cheque or by electronic bank transfer. Other than for lump sums which constitute your first subscription, and provided that your original application remains valid, you will need to complete a top-up form which you can obtain from us or from your *adviser*.
 - 2.6 All applications to the *Octopus AIM Inheritance Tax ISA* are accepted on a rolling basis, which means that if you wish to subscribe in subsequent *tax years* you may not have to complete a new *ISA application form*. This is an optional arrangement, and you are under no obligation to make further investments with us. Provided you make a subscription to your account either through a lump sum or any other type of payment in each consecutive *tax year*, and the basis on which you pay your *adviser* remains the same, you may not need to complete a new *application form* as your original *application form* may remain valid.
 - 2.7 Your *ISA* investments will be registered in the name of our *nominee company* but will be and must remain beneficially owned by you. This means that you will not be the registered legal owner of those investments but you will be entitled to the benefit that they can provide you.
- ### 3 Cash balances in your Octopus AIM Inheritance Tax ISA
- 3.1 In accordance with the *ISA regulations*, your *ISA* must be fully invested into qualifying investments at all times. Cash may only be held temporarily for the purpose of purchasing those qualifying investments.
 - 3.2 All uninvested cash received or held for the account of your *portfolio* shall be treated by us under the *FCA rules* as 'client money' on the basis set out in the *general terms*.

3.3 Where cash is held in your *Octopus AIM Inheritance Tax ISA*, interest will be paid in the same way as interest is paid on client money as set out in the *general terms*. Such interest is subject to a tax charge at the basic rate which we will deduct from your *ISA* and pay to HMRC. There is no requirement for you to inform HMRC of the interest received or tax charge made on any cash held in your *ISA*.

4 Delegation

4.1 We reserve the right to delegate any of our functions or responsibilities under these *ISA terms* to another person and you authorise us to disclose to that person such information about your *Octopus AIM Inheritance Tax ISA* as is necessary for this purpose. We will satisfy ourselves that any such person is competent to carry out such functions or responsibilities.

5 ISA charges

5.1 Charges relating to your *Octopus AIM Inheritance Tax ISA* will be taken directly from your *ISA* and will not be taken from any *investment account* that we may maintain for you.

6 Withdrawals and transfers

6.1 You may at any time request that all or part of the investments held in your *Octopus AIM Inheritance Tax ISA* be sold and the proceeds arising be transferred or paid to you within such reasonable time as you stipulate (which, subject to the *ISA regulations*, must not exceed 30 days). In such cases, you would receive the cash sum, subject to the deduction of any fees (where appropriate). In this case, your assets would lose their *ISA* status.

6.2 We will accept the transfer of your existing *ISA* from another *ISA* Manager in cash, subject to the minimum investment specified in the brochure.

6.3 Transfers will only be accepted from an account in your name. You will need to complete a transfer authority form and return this to us, and your existing *ISA* Manager, with your written instructions. You represent and warrant that the value of your current *ISA* stated in the transfer authority form is correct as at the time that you complete the form. You should be aware that on receiving a transfer authority form, we reserve the right not to accept a transfer of your existing *ISA* or your initial subscription (if applicable) if it reasonably appears to us that the value of your

existing *ISA*, together with your initial subscription (if applicable), would not achieve the minimum investment specified in the brochure above once your investments have been liquidated and all outstanding costs, charges and fees, settled.

6.4 We will not be responsible for any loss or delay caused in the transfer or payment of proceeds to us where this is due to something we cannot reasonably control.

6.5 On your written instructions and within such reasonable time you stipulate (subject to a maximum of 30 days) we will transfer your *ISA* to another *ISA* Manager provided that they agree to the transfer. Whilst under normal circumstances, we will carry out the *ISA* transfer within the time stipulated; occasionally it may take longer to complete due to circumstances outside our control. We will only transfer your *ISA* in full to another *ISA* Manager, no partial transfers will be allowed. You may be liable to pay the fees and charges of third party administrators and/or custodians arising from any transfer.

6.6 We will liquidate the holdings in your *ISA* and transfer the cash realised to your new *ISA* Manager subject to any retentions or deductions we may be entitled or bound to make under these terms or under the *applicable rules*. When we transfer the cash realised from liquidating your *ISA* to another *ISA* Manager, all rights and obligations of the parties to the *ISA* are transferred with it to the new manager. Your new *ISA* Manager may require you to complete a transfer application form.

6.7 Where you request a transfer or withdrawal in accordance with this clause 6 and your *Octopus AIM Inheritance Tax ISA* holds units and/or shares in a UK UCITS scheme, non-UCITS retail scheme, or a UCITS scheme in respect of which dealings have been suspended in accordance with the applicable FCA rules (or any direct foreign equivalent), this 30-day period may be extended to seven days after the suspension ends.

7 Elections

- 7.1 As a discretionary service, we're entitled to exercise all rights attaching to investments in your ISA on your behalf without reference to you. However, for those investments that are held within your ISA you may elect to:
- (a) receive a copy of the annual report and accounts relevant to the investments held in your ISA;
 - (b) attend shareholders' and unit trust holders' meetings;
 - (c) vote (as proxy for our nominee company); and/or
 - (d) receive such other information issued to shareholders, unitholders or securities holders in respect of investments held in your ISA.

- 7.2 You may access free copies of company reports from the relevant company website, or you may contact the relevant company directly to obtain such information. We will provide a synopsis of each company you are invested in at least twice yearly, along with links to the company websites.

You must contact Octopus each time you wish to request one of the services contemplated under paragraph 7.1 above, and we reserve the right to charge you for meeting any request you may decide to make. Our standard charge is currently £25 per communication/voting form, which has been calculated to cover the cost of the extra administration required to meet any such requests.

8 Termination

- 8.1 The following provisions apply in addition to those set out in section 25 of the general terms.
- 8.2 We may terminate your ISA on notice in accordance with the *ISA regulations*.
- 8.3 We will notify you if your ISA has become, or will become, void because of any failure, either on our part or on your part, to satisfy the *ISA regulations*. If an ISA is made void, you may lose part or all of your tax exemption relating to the ISA. We are required to provide HMRC with full details of any void ISAs, including the personal details of the investor.

- 8.4 If at any time we cease to provide the *inheritance tax service* to you because you have notified us in accordance with section 25 of the *general terms*, we will hold the assets within your ISA at the time at which we receive your notice in our capacity as ISA Manager but we will no longer manage them on a discretionary basis. Your notice to terminate this *agreement* shall constitute notice to terminate your ISA which will, in such circumstances, be effected 30 days following such notice and clause 6.1 of these *ISA terms* will apply as relevant.

- 8.5 We will continue to act on any authorisation previously given to us until we are notified of your death. We will then continue to act on the instructions of your personal representatives in accordance with the *ISA regulations*, as applicable, until your ISA is closed. If you die before 6 April 2018, on your death your ISA will lose its ISA tax status and will, in effect, become an investment account. If you die on or after 6 April 2018, your ISA will be redesignated as a "Continuing Account of a Deceased Investor" and will continue to be exempt from tax until the end of the period prescribed by legislation.

Section 3

Octopus Accelerated Discounted Gift Trust Additional Product Terms

This section contains a summary of the key terms that will apply to you where *your inheritance tax service* is the *Octopus Accelerated Discounted Gift Trust*. However, you should ensure that you have read the *Octopus Accelerated Discounted Gift Trust* product brochure and *application form* in full before proceeding with this product.

- 1 We may provide you with various tools and materials to help you decide on how much of your portfolio you should settle on trust in order to assist you with inheritance tax planning for your estate. The brochure contains detailed information about the provision of these resources – which may involve you answering certain medical questions and undertaking a form of medical consultation. We may use this information to give you an indication of how much of your portfolio you may wish to settle on trust.
- 2 You do not have to give your consent to the underwriters in respect of the *Octopus Accelerated Discounted Gift Trust* product being provided with any medical report which is prepared for these purposes but if your consent is not given we may be unable to proceed with your application.
- 3 Please be aware that ultimately it is your decision how much of your portfolio is settled on trust and subject to the applicable rules, we shall owe no liability to you in the event that the amount you decide to settle on trust does not achieve your inheritance tax planning objectives and/or provide you with sufficient income for the remainder of your life or triggers an inheritance tax liability on transfer into the trust.
- 4 In respect of the amount of your portfolio settled on trust we will only owe you duties in respect of the provision of our discretionary management services as provided in this agreement and for these purposes the trustee(s) you have appointed in respect of the trust will also be our client.
- 5 Whilst we may provide you with a proforma trust deed to help assist you with your trust arrangements, we cannot accept any responsibility for its contents, and in particular, we do not provide any assurances that the trust deed will meet your inheritance tax planning requirements. Any trust deed which we may provide to you is provided only in draft form and we therefore strongly advise you to seek legal advice from an appropriately qualified legal practitioner on whether the deed is suitable for your requirements. Subject to the applicable rules, Octopus accepts no liability for any loss caused as a result of you using any draft trust deeds provided by us in connection with the *Octopus Accelerated Discounted Gift Trust* product.
